

Peera Shaik

Senior Webmaster, Web Developer, eCommerce Frontend, SEO Specialist
+91 96324 13905 | peerashaik786@gmail.com | [Portfolio](#) | [LinkedIn](#)

Senior UI Designer & Developer with 23 years of proven success delivering inclusive, high-quality web interfaces across diverse IT domains. Skilled in modern design tools (Figma, Adobe XD, Photoshop) and front-end technologies (HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, jQuery). Experienced in creating pixel-perfect, responsive, and SEO-optimized interfaces that meet WCAG standards & ADA, improve Core Web Vitals, and ensure accessibility across devices and browsers.

Specialized in CMS customization and ecommerce theming (Shopify, WordPress, Magento2), with a strong focus on usability, accessibility compliance, and performance optimization. Adept at guiding cross-functional teams, implementing CI/CD workflows, and delivering solutions that enhance user satisfaction while fostering inclusive digital experiences.

Committed to advancing accessibility, collaboration, and sustainable growth by designing interfaces that empower all users, including those with diverse abilities.

— Top Technical Skills

Design & Development

Experienced in connecting static HTML structures with CMS platforms to build and manage accessible websites. Skilled in working with theme templates, sections, and blocks, and creating custom themes with pixel-perfect, cross-browser, and multi-device user interfaces. Focused on adhering to WCAG guidelines, industry standards, and robust architecture, with a sharp eye on performance metrics and optimization techniques to ensure faster loading times, accessibility compliance, and seamless user engagement.

Visual Communication

Ability to create branding style guides and accessible design systems using color theory, typography, and layout principles. Skilled at ensuring consistency across application interfaces while maintaining readability and usability for diverse audiences, including users with disabilities.

Web Development Skills

HTML5, CSS3 (Less, Sass, Tailwind), Bootstrap, JavaScript, jQuery, ReactJS (basic), WordPress, PHP, MySQL, Magento2 Frontend, Shopify Frontend, Figma, Adobe XD, Semantic UI, Email Templates, W3C Standards, Accessibility (WCAG 2.1), Performance Optimization, Core Web Vitals, GitHub, Jira, Confluence, Zeplin, Agile, Scrum.

Visual/Web Design & UI Design

Passionate about creating intuitive, accessible, and user-friendly interfaces that drive engagement and conversions. Expertise in designing visually appealing and inclusive solutions using Figma, Adobe XD,

Sketch, Photoshop, and Illustrator.

Latest Trends

Proficient in CSS Flex/Grid, modern UI/UX practices, accessibility-first design, and SEO integrations.

User-Centered & Inclusive Thinking

Deep understanding of human-centered design principles, accessibility standards, and user research methodologies. Experience working with design systems to ensure consistency, usability, and compliance across digital products.

Cross-Functional Collaboration

Works seamlessly with product managers, engineers, marketers, and stakeholders to deliver accessible, impactful solutions that strengthen brand identity and meet diverse user needs.

Hosting & Deployment

Experienced in hosting and domain management, ensuring smooth deployment of accessible digital products.

CI/CD

Proficient in implementing Continuous Integration and Continuous Deployment processes to maintain clean, efficient, and accessible codebases.

— Certifications

— Work Experience

Freelance User Interface Designer and Developer

Freelance Designer— Hyderabad, January 2025 – April 2026

Redesigned and optimized WordPress themes for Levant Central, improving Core Web Vitals scores by 35% and increasing organic traffic by 20%. My responsibilities include customizing and developing WordPress themes to integrate their services, with a strong focus on SEO optimization and page performance, and alignment with the company's business goals.

Magento2 Theme UI Designer and Developer, Project Manager

ITC Infotech – Bangalore, Dec 2022 – June 2024

Worked for the client Schneider Electric and shop website as a ecommerce frontend developer and partially as an Associate Project Manager to incorporate the seamless project time management and team capabilities. Led the design and development of a Magento2 theme for a global multilingual B2B and B2C e-commerce marketplace, featuring multi-store websites tailored to regional product offerings and sales strategies.

Magento2 Theme UI Designer and Developer

PushON: Wings Group of Companies – Bangalore, August 2021 – Nov 2022

Contributed to the design and development of the Magento2 applications at PushOn for eCommerce projects, including maintenance of custom themes, feature customization, and implementation of enhancements across the entire user journey from catalog and product pages to checkout and Content Management.

Lead UI designer, Magento2 Theme UI Designer and Developer

Nityo Infotech Services – Bangalore, April 2019 – July 2021

Worked as a Lead UI/UX Designer and Magento2 Frontend Developer for Nityo clients. Led the UI design team for SingPost, a leading eCommerce company in Singapore, while also contributing individually to frontend theme development and customization across Magento2, WordPress, and Shopify platforms.

Senior UI Engineer

Sigma Info Solutions – Bangalore, March 2016 - March 2019

Worked for Sigma clients as a creative lead for many projects, driving design and implementation of web-based applications in diverse domains including banking, healthcare, technology, IT services, lifestyle, e-commerce, and Content Management platforms. Utilized a wide range of front-end technologies such as .NET, open-source frameworks, Cloud Magento eCommerce, and WordPress to craft user-centered digital experiences. Collaborated closely with Angular, React, and Polymer development teams to support UI theme development and customization.

Senior Web Designer and Web Developer

Hardwin Software Solutions Pvt Ltd – Bangalore, November 2014 - February 2016

Domain: Hardwin Software Solutions

Worked as a Senior UI/UX Designer across multiple projects, contributing to user and competitive research, wireframing, visual design, branding, and product application design. Collaborated closely with Magento and .NET developers to integrate UI design patterns into various eCommerce and WordPress websites.

Web Designer and Web Developer

Ezone Solutions – Kolkata, November 2004 - October 2014

Domain: Ezone Solutions

Designed web interfaces for small to medium-sized businesses worldwide, focusing on user-centric solutions. Developed workflows and user interfaces through iterative design processes, collaborating with cross-functional teams to align with business goals. Partnered with PHP and .NET developers to ensure seamless integration and deliver intuitive, user-friendly experiences.

Graphic Designer

Vyoma Technologies – Hyderabad, December 2003 - October 2004

Domain: [N/A](#)

Designed a wide range of brand and marketing assets, including company logos, business cards, skyscraper ads, web banners, brochures, and mock-up web templates.
